The Auctioneer reserves the right of refusing the bid of any person, and regulates the bidding and no bidding is to be retracted.
- 2 The purchasers to give their names and places of abode in writing, and pay the full purchase money for each lot at the fall of the hammer (if required); in default of which the lot or lots purchased may immediately be put up again and re-sold.
- 3 No lot or lots shall be removed from the premises till paid for, but each and every lot shall, immediately at the fall of the hammer, be considered as delivered, and be and remain in every respect at the absolute risk of the respective purchaser or purchasers thereof, and shall be removed from the place of sale at the purchasers expense.
- 4 All descriptions constitute a warranty to terminate half an hour after conclusion of sale by auction.
- 5 If any purchaser shall fail to comply with the above conditions, or any part of them the Auctioneers shall be at liberty to either recover in full the amount of the lot or lots bought by the purchaser, without reference to any delivery or acceptance of the lot or lots other than the first delivery by the fall of the hammer, or to re-sell any lot or lots bought by the purchasers, either by public or private sale; and the full amount of the purchase money at the present sale, or the deficiency (if any) arising from such second sale, shall be made good by the defaulter at the present sale, and be recoverable as and for liquidated damages.

- 7 The purchasers and vendors to understand that, although every reasonable precaution will be taken to ensure the safety and welfare of the animals, the Auctioneers will not be responsible for loss or accidents of any kind that may occur.
- 8 No undertaking of the Auctioneers or their servants to take charge of the lots or animals after the sale, or to forward them to their destination, shall be held to impose upon the Branch any legal obligation or vitiate any of the foregoing conditions.
- 9 Should any question arise not provided for in the foregoing conditions, the decision of the Auctioneers shall be final, from which there shall be no appeal.
- 10 All unsold lots are at the risk of the owners immediately they pass out of the sale ring.
- 11 Terms: Sheep sold in Guineas, and no Auction Fees to purchasers. Pounds to vendors.
- 12 The Auctioneers reserve the right to refuse cheques as payment.

1. All rams and ram lambs sold at the Sale are warranted by the vendor to be capable of natural and effective service within nine weeks of the Sale ("the Male Guarantee Period"). Provided always that:
  - (a) any animal which is not so capable and where the incapacity is caused or contributed to by injury or illness howsoever caused, suffered or contracted after the Sale is not covered by the warranty; and
  - (b) any animal which has not been conclusively determined as incapable of natural and effective service in accordance with the procedure set out hereinafter and which dies of natural causes during the Male Guarantee Period is not covered by the warranty.
2. An animal shall be deemed incapable of natural and effective service if:
  - (a) it fails to make at least one ewe pregnant during the Male Guarantee Period under natural breeding conditions; and
  - (b) it is certified as being so incapable by a veterinary surgeon in accordance with clauses 4 and 5 below. "Natural breeding conditions" means when a ram is run with ewes in normal breeding condition, cycling without artificial interference. Ewes which have been sponged and/or treated with hormones to induce or synchronize ovulation are deemed not to be in normal breeding condition.
3. The purchaser shall throughout the Male Guarantee Period give the animal full and sufficient opportunity to prove that he is capable of natural and effective service and maintain him in a fit condition.
4. If the purchaser sees that the ram or ram lamb has failed to prove himself capable of natural and effective service within 6 weeks of the Sale, the purchaser shall then within 7 weeks of the Sale:
  - (a) Notify the seller in writing that the animal is to be tested; and
  - (b) Have the animal subjected to a semen test by the artificial vagina method by a veterinary surgeon attached to a breeding company authorized by the Society; and
  - (c) Obtain from the veterinary surgeon a duly completed Soundness for Breeding report in the form issued

by the Society from time to time; and

(d) (If the veterinary surgeon certifies that the animal is incapable of natural and effective service) lodge a copy of the Report with the vendor.

5. The vendor shall be entitled to have a second test carried out by the same or a different veterinary surgeon attached to a breeding company authorized by the Society who shall issue a Soundness for Breeding report within eight weeks of the Sale, and such Report shall conclusively determine whether or not the animal is capable of natural and effective service. The vendor shall deliver to the purchaser a copy of this second Report within nine weeks of the Sale. The purchaser shall at the expense of the vendor do all acts, deeds and things necessary to enable the second test to be carried out. If the animal shall be deemed fertile the purchaser shall on demand repay the vendor the veterinary surgeon fees of the second test and Report.
6. If the ram is deemed incapable of natural and effective service during the Male Guarantee Period, the purchaser may within three months of the Sale return the animal to the vendor and thereupon the vendor shall repay to the purchaser the whole of the purchase price and the cost of transport of the animal from the purchaser's premises to the vendor's premises and the veterinary surgeon testing fees incurred by the purchaser.
7. The vendor shall not be liable for any indirect or consequential loss howsoever sustained by a purchaser.
8. As to clauses 4 and 5 and 6 time is of the essence.
9. Any variation by a vendor and purchaser of any of the Conditions set out in this Section 2 shall be in writing and signed by each of the parties.
10. The terms of any statutory enactment or custom or trade which are inconsistent with the provisions of this Section 2 are hereby excluded.
